Mobile Work Platforms & Stairs

RollaStep® rolling stairs and mobile work platforms vary based on your application. They're easily customized for added operational efficiency in manufacturing plants or improved workplace safety in aviation maintenance.

- Access when and where you need it
- User friendly – easy to roll and steer
- In-stock and ready-to-ship
- Easily customized
- Extremely versatile

4 MODELS
To fit any access need.

Four precision engineered industrial models minimize physical exertion and risk of injury. Workers gain safe access and fall protection plus greater productivity. If your elevated workspace is more complex, let us fabricate custom mobile platforms and stairs. All RollaStep® mobile stairs and platforms are easy to maneuver and sturdy to help you get the job done easier, faster and safer.
